GEO. C. FLINT CO., FURNITURE MAKERS,

Delight the Gentler Sex.

Fashionable bonnets are infinitesimal in size. They consist of little more than an over resting on the top of the head, an upstanding aigrette or a bunch of flowers and feathers at the back. Some, indeed, are only triple band through which the hair shows, while other again have simply a bow in front and flowers at the back. Gold embroidery and gold but. terffice play an impercant part; but flower bonnets are well wern to Lendon now. Many of them are simply a circle of close-set flowers without foliage, the stalks starting from the blooms to the centre of the crown, where they are tied in a bunch. Veils, which can hardly be too gossamer-like, are generally arranged now underneath the strings, and require very careful ptaning.

society belies have revived, or are trying to revive, the old Italian custom, dating from medieval times, of the bride presenting the bridegroom with a ring. The ring is of iro or steel, wrought with letters of caballen meaning, inlate with gold or silver, and som times set with a precious stone protect the wearer," in Arabic characters, sapphires, protecting the wearer from evilweird red and green Alexandrites, ar often set in these rings.

The juriors began an immediate investigation of the surroundings. The dead girls clothing was examined for markings that woman had been made by two men in the woods within a stone's throw or the place where the tragedy of saturday night was enabled, linvestigation proved the report to be wore cheap magenta striped stockings.

The top of her prise, close to her threat, was fastened together with a jet treast, was fastened together with a jet treast about this place were buttons that were not mates. Shewas a bruingtte, not more than the event of the poles that a bold attempt to outrage a to the poles that a bold attempt to outrage a to the poles that a bold attempt to outrage a to the poles that a bold attempt to outrage a to the poles that a bold attempt to outrage a to the poles that a bold attempt to outrage a to the poles that a bold attempt to outrage a to the poles that a bold attempt to outrage a to the poles that a bold attempt to outrage a the struck the left forearm just above the trust above the wint a bold attempt to outrage a to the poles that a bold attempt to outrage a to the poles that a bold attempt to outrage a the struck the left forearm just above the wrist, and then scratched Baker's lead. Anderson's story of the encounter is that he eather stitching. The risk of the crist story of the encounter is that he eather stitching. The risk and passed the attended of the attended or the poles at all the crist struck the left forearm just above the trust, and then scratched Baker's lead. Anderson's story of the encounter is that he eather strucking the worst that the woods within a stone's three the ringed of the wish and passed the attended or the pole and the pole of the attended or the pole of the attended or the pole of the worst and the call of the with the curve is the with the worst and the call of the with the with you a few here the traged of statiching the worst of the wish and the call of the with the with pole and the call of the with the with pole and the call of the with the with pole an room was made of cigar ribbons, averaging

Plain velvet dresses are no longer considered matronly. Ruby reds, sapphire blue and emerald greens made perfectly plain embroidery on the collar and cuffs, form portion of most fashionable women's wardrobes. But velvet is also used for disting pieces of gowns and for elegant sleevels jackets, which display a very broad band o gold at the waists.

The late Philip Bourke Marston left a large amount of unpublished manuscripts, which the blind poet's father bequeathed to Mrs. Louise Chaudler Moulton. These poems will be issued in a volume next October.
